C. RATIONALE OF THE COMPOSITE SCHEME OF ARRANGEMENT AND AMALGAMATION

- i. The current corporate structure of FSL comprises an operating business of manufacturing, supplying and exporting of speciality oleo chemicals and nutraceuticals and a business of developing, manufacturing, supplying, exporting aroma chemicals. The business of aroma chemicals is carried out through Privi Organics, a wholly owned subsidiary of FSL.
- ii. Both the businesses – that of oleo chemical and nutraceuticals; and aroma chemicals require different skill sets, business strategies, R&D support and capital assets. The nature of risk, competition, challenges, opportunities and business methods for both the businesses are distinctly different.
- iii. Each of the varied business being carried out by FSL and by Privi Organics, the wholly owned subsidiary of FSL have significant potential for growth and profitability.
- iv. However, as each business requires significantly different operating and financial strategies, their individual potential will be best realized if the businesses are operated separately and independently.

- v. It is proposed to consolidate the businesses carried on by FSL and through its wholly owned subsidiary into a single identified entity and segregate other businesses into another identified entity. This will create two niche, dedicated and focused business segments without any risk or overlap of one business over the other. Thus, the oleo chemical and nutraceutical business will be housed in a Demerged Undertaking and the business of aroma chemicals will be housed in FSL. To that effect, Privi Organics will be merged with FSL.
- vi. The restructuring arrangement would enable greater/ enhanced focus of the management in each business of FSL and Demerged Undertaking which would facilitate the management of both FSL and the Demerged Undertaking to not only efficiently exploit opportunities for each of the businesses but also enhance efficiency in overall combined business including economies of scale, efficiency of operations which can be deployed more efficiently for the purpose of development of businesses of the respective entities and their growth opportunities, eliminate inter corporate dependencies, minimize the administrative compliances and to maximize shareholders value.
- vii. The Scheme will create enhanced value for shareholders and allow a focused strategy and specialisation for sustained growth, which would be in the best interest of all the stakeholders and the persons connected with the aforesaid companies.
- viii. The Scheme will not in any manner be prejudicial to the interests of the concerned shareholders and creditors or general public at large.
